RESIDENT NAME: _____ ADDRESS: _____

Resident understands and agrees to the following rules and regulations and agrees to abide by any other regulations which may be established by Management. Any breach of this agreement shall constitute a breach of the lease and can result in termination of the lease.

We allow up to two pets per apartment. The combined weight of the two pets is not to exceed 60 pounds at full maturity. Certain breeds or mixes are not accepted. A current photograph of the pet is required, plus proof of current rabies vaccination.

There is a non-refundable pet fee of \$300.00 for one pet (dog/cat). The pet fee for a second pet is an additional \$150.00 (dog/cat). The pet fee for up to two birds is \$300.00. The pet fee is paid for the privilege of having a pet on the premises. This fee will not be applied to any damage charges. A Pet Deposit of \$200.00 is also required. In the event of a transfer from one Marsh Community to another, a new pet fee will be required.

Resident is responsible for any damage or personal injury caused by the pet. In the event of a roommate situation, the pet owner is the sole responsible person for any pet damages. Resident will be charged for costs of cleaning, repairing, restoring and replacing in regard to any damage to the premise including but not limited to furnishings, carpet, vinyl, cabinets, walls doors, etc. If in the opinion of Management such expense is necessary due to stains, scratched, odors or other damages.

WARNING: Please be advised that once animal urine soaks into carpet, it causes such an odor and discoloration that the carpet has to be replaced. This is not an uncommon occurrence and it is very expensive. The Resident is fully liable for the expense.

A major issue that will not be tolerated is the issue of pet waste being deposited and left in any areas of the community. Animal waste that is not removed detracts from the positive image of the community, interferes with the enjoyment of the community and creates potential health problems. In addition animal waste destroys vegetation which harms the image of the community and necessitates costly replacement. Resident specifically understands and agrees to remove pet waste each and every time the pet is walked from wherever the waste is deposited. Resident agrees to carry some form of pooper scooper and a plastic bag and to immediately remove the waste. Pet waste must be placed in a plastic bag, tied securely and immediately disposed of in the trash dumpster. No exceptions will be made.

- Pets are to be kept away from shrubbery, flowers and trees.
- Pets will be kept inside apartment at all times except when on a leash and accompanied by and under control of Resident. Cats must be on a leash as well as dogs. Cats are not to be put outside to “roam” day and night. Birds must always remain in their cage.
- Pets will not be chained or tied and left anywhere outside of the apartment.
- No pet equipment and supplies such as houses, cages, carriers, bedding, litter containers, food or watering bowls are to be placed or stored outside of the apartment at any time.
- Residents will be responsible for compliance with all City & County laws applicable to the pet.
- Resident agrees that only the pet described and named below will occupy the premises. No additional or different pet is authorized under this agreement.

Resident understands and accepts that all residents do not appreciate the presence of pets in the community and that some people are truly afraid of animals. It is the pet owner’s responsibility and duty to abide by the rules and regulations and to be considerate and mindful of the rights and concerns of non-pet owners.

If Marsh Properties determines that your pet constitutes a nuisance, creates a disturbance, or threatens the safety of any person or property you will be required to permanently remove the pet from the premises.

ROOMMATE INFORMATION

Roommates-Co-Applicants

Roommates and a Roommate Authorized Occupant must be 21 years of age or older to apply.

In qualifying and processing roommates as co-applicants we get individual scores and a combined lease score. When we use the combined lease score applicants understand that one roommate may be considerably less qualified as an individual under our scoring system. However, processing roommates as co-applicants and using the combined lease score can sometimes give roommates an increased chance of being approved.

We prefer that both roommates be named as Lessees on the lease.

If the combined lease score is Conditionally Approved and one of the applicants has an Approved score individually and the other applicant is Conditionally Approved we can process the combined application as Approved.

If one applicant is Approved and the other is Denied the Approved applicant can be put on the lease as the Lessee and the other applicant can be named as an Authorized Occupant. **THE ONE LESSEE WOULD BE TOTALLY RESPONSIBLE FOR THE FULL PERFORMANCE OF THE LEASE.**

(An Authorized Occupant Form would have to be signed by all parties under this condition.)

If a roommate needs a co-signer the roommates cannot be processed as co-applicants. The applicant and the co-signer must be processed together. Only a parent or legal guardian can co-sign for an applicant. Adult children can co-sign for their parents. The combined score must be in the Approved category to qualify. Individual scores will not be considered. Each must pay an application fee and a security deposit. If a co-signer is involved the co-signer must sign this form directly under the applicant's signature.

If the roommate is Conditionally Approved he can be named as a Lessee with the Approved roommate/co-signer Lessees. If he is Denied he can be an authorized occupant if all parties agree and sign The Authorized Occupant Agreement.

All named Lessees on the lease are held jointly and individually responsible for the full performance of the lease and for the payment of any damages and other charges. Each Lessee who will occupy the premises must be a named insured on the required renters insurance policy.

We have read and understand the above information.
